

THE LEADERSHIP REVOLUTION

*FINALLY, the full progression of leadership possibility
is made available to leaders everywhere!*

The Leadership Revolution is your step-by-step guide to achieving the highest levels of leadership understanding and performance.

- ▶ ***Ground yourself in the deeper meaning of leadership*** along with the foundational keys to exponential leadership growth
- ▶ ***“Up-level” your leadership performance and your team*** right now, in real time!
- ▶ ***Journey through all 10 levels of leadership service*** on the way to your personal expression of leadership mastery

In today’s most complex of leadership environments, this book provides a clear path through the challenges we all face. You will journey far beyond the status quo of leadership, refining your awareness, attention and focus around your true purpose as a leader. Even the highest levels of leadership are now accessible, and this book takes you all the way!

Brian Cunningham, MBA—On his journey from parking lot attendant to CEO, Brian has studied the leadership experience at every level. His commitment to serving and collaborating with others through higher levels of leadership led to the development of a *revolutionary* model for genuine leadership growth, *the AQ Model*.
